

Aircraft Emergencies & iPad's in the Cockpit

Being prepared for an aircraft emergency is essential part of being a proficient pilot. Learn how to prepare for and deal with emergencies. iPad's are rapidly dominating flight planning and flight monitoring. Join us for a discussion of applications, equipment, tips and traps when using the iPad in the cockpit.

Pre-register at <http://www.faasafety.gov/> for this event and have your attendance verified at the event to receive automatic wings credit for this seminar.

Directions: Hangar 5 - 7350 South River Road, Tomahawk, Wisconsin, 54487

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov/
