

Aviation Weather: One-on-one with an NWS Aviation Forecaster

National Weather Service Aviation Forecaster Marcia Cronce will provide valuable insight into the forecasting process, the factors affecting weather, and the unique hazards that accompany winter flight. It's a must for student pilots, renters, and seasoned veterans alike.

Directions: I-94 to Hwy Pewaukee Road S. Right onto Northview Drive. Pass two secure gates on right, then right onto Aviation Drive. Go to terminal. Event will be in Main Conference Room.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
