

6th Bi-Annual Tailwheel Clinic

This “conventional gear” flying course taught by tailwheel flight instructor John Chmiel reviews these subjects: earning a tailwheel endorsement, FAR's, tailwheel vs. tricycle differences, transition maneuvers, taxi/take-off techniques, 3-pt landings, & wheel landings. Course is for pilots earning a tailwheel endorsement and experienced tailwheel pilots who want to a refresher. Lots of video & props.

Directions: Business 51 to Lakeview Dr. turn west. Left on Pied Piper. Parking lot is Woods Place. WFS is red brick building between 2 large corporate hangars. Conference room at the end of the hall.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
