

Sectional Chart Symbolism - A Review

Master CFI Tim Lemke will lead an interactive discussion to review most of the symbology used on VFR Aeronautical Sectional Charts, especially those symbols on the Chicago and Green Bay sectional charts in and around the Oshkosh area. If you haven't studied the sectional chart legend recently, this seminar is for you.

Directions: Room #104A - Use the main entrance

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
