

# 'An Evening of Spatial Disorientation' AME Presentation & Green Bay IMC Club Monthly Meeting

Dr. Bruce Bressler, an Aviation Medical Examiner and accomplished pilot, will provide insight on spatial disorientation. Understanding the types, causes and factors involved will help pilots to understand and deal with potentially disorienting situations that may arise during flight. Dr. Bressler's presentation will include a question and answer session.

Immediately following the presentation will be a Green Bay IMC Club meeting beginning at 7 pm. The IMC Club meeting will include review and discussion of a real-life spatial disorientation accident.

**Directions:** Upstairs meeting room at Jet Air FBO.

## A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
