

# 'Meet the Examiner –Avoid Common Errors and Understand the New ACS'

Sherwood Williams, an experienced Designated Pilot Examiner, will discuss common IPC and practical examination errors, as well as providing an update on the upcoming examination changes from Practical Test Standards (PTS) to Airman Certification Standards (ACS) and how it will affect pilots. Attendees are encouraged to come with questions as this presentation includes a question & answer session. This event will be immediately followed at 7 p.m. by a Green Bay IMC Club meeting which also qualifies separately for WINGS credits. Preregistration for the IMC Club meeting is encouraged but not required.

**Directions:** Upstairs meeting room at Jet Air FBO.

## A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
