

From Miscue to Rescue from AOPA along with the New FAA Compliance Philosophy

A GA incident with a positive outcome. Attendees will be presented with a video of an actual GA incident. Afterwards, during an open discussion we will analyze the actions the pilot took before, during and after the incident. We will summarize the things he did right, and those things which he could have been better.

The New FAA Compliance Philosophy why and how it affects every pilot and mechanic each and every day presented by the FAAST Program Manager from the Milwaukee FSDO.

Directions: Local Hanger, during annual Fly-in
