

Loss of Control and New FAA Compliance Philosophy

The Flying Hamburger Social are sponsoring a FAA Safety Event, "Loss of Control". This is the first of many that will be held throughout the year. Join us at Chippewa Valley Regional Airport (EAU). This event will have refreshments prior to the session, but it will not be a full social as we have in the summer.

Topics of seminar will include presentation on Loss Of Control prevention by both your local Flight Instructor, John VanDeVoort and FAAST Program Manager, Jurg Grossenbacher. We will also update on the New FAA Compliance Philosophy and how it impacts each and every pilot and mechanic.

Directions: The meeting will be held in the Heartland Aviation hangar located at 3800 Starr Avenue, Chippewa Valley Regional Airport, Eau Claire, WI.
