

Loss of Control and New FAA Compliance Philosophy

Lakeland Aviation is sponsoring a FAA Safety Event, "Loss of Control". This is the first of many that will be held throughout the year in Northern Wisconsin. Join us at Lakeland Airport (ARV). This event will have refreshments prior to the session, but it will not be a full social as we have in the summer.

Topics of seminar will include presentation on Loss Of Control prevention by Jurg Grossenbacher, FAASafety Program Manager. We will also update on the New FAA Compliance Philosophy and how it impacts each and every pilot and mechanic.

Directions: The meeting will be held in the conference room of the airport terminal building located at 1545 N. Farming Rd., Lakeland, Airport Arbor Vitae, WI.
