

Loss of Control and The New FAA Compliance Philosophy

A&A Aviation, and the Flying Hamburger Social are sponsoring a FAA Safety Event, "Loss of Control". This is the first of many that will be held throughout the year. Join us at the Platteville Municipal Airport (PVB). This event will have refreshments prior to the session, but it will not be a full social as we have in the summer. Topics of seminar will include presentation on Loss Of Control prevention. We will also update on the New FAA Compliance Philosophy and how it impacts each and every pilot and mechanic.

Directions: The meeting will be held in the A&A Aviation located in the Main Terminal Hangar at 5157 State Road 80, Platteville Municipal Airport, Platteville, WI.
