

Wisconsin FAASTeam presents:

Loss of Control and The New FAA Compliance Philosophy

Manitowoc Airport Manager, CAVU Flight Academy and the Flying Hamburger Social are sponsoring a FAA Safety Event, "Loss of Control and You". The topics will be presented by FAAS Team Program Manager, Jurg Grossenbacher and Leon Sigman and James Wheeler of CAVU Flight Academy.

This is the first of many that will be held throughout the year. Join us at the Manitowoc County Airport (MTW). This event will have refreshments prior to the session, but it will not be a full social as we have in the summer.

We will also update on the New FAA Compliance Philosophy and how it impacts each and every pilot and mechanic.

Directions: The meeting will be held in the CAVU Aviation located in the Main Terminal Conference Room at the Manitowoc County Airport, Manitowoc, WI.
