

Cockpit Resource Management

Cockpit Resource Management (CRM) DVD followed by a discussion led by Patrick Colwell, local pilot and FAAST Safety Representative. What does CRM mean and how can we use this tool to make our flights safer? If you would like to bring your discussion point and questions to add to this safety seminar you are more than welcome to do so.

Directions: The maintenance hangar is located next to the Fixed Base of Operations (FBO) building. Bathrooms are located in the FBO for your convenience. Please pre-register yourself in order that we can accommodate you.
