

Cold Weather Operations And You

EAA Chapter 18 and the Milwaukee FSDO are sponsoring a FAA Safety Event, "Cold Weather Operations". The topics will be presented by FAASafety Safety Representatives Nick Heffron and Jeff Wisneski.

This is the first of many that will be held throughout the year. Join us at the Lawrence Timmerman Field, Airport (MWC). This event will have refreshments prior to the session, but it will not be a full social as we have in the summer.

Directions: The meeting will be held in the Civil Air Patrol Conference Room located at 9393 West Appleton Avenue at the Lawrence Timmerman Field, Milwaukee, WI.
