

When the Engine Goes Quiet

John Townsley will lead us through an in-flight engine failure he experienced on a 2013 nighttime cross-country flight. He will discuss performance issues and share some lessons from his experience. John also discusses NTSB accident statistics.

There is a cost to this event please refer to the following: <https://www.flysnf.org/>

Directions: From the main gate, go East (right) on James C. Ray Dr. then turn North (left) on Sun 'n Fun Dr to EAA exhibit tent (corner of Sun 'n Fun Dr. and Laird Dr.).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
