

MKE presents:

# Flight Testing Experimental Aircraft

Preparing for the first flight of your experimental amateur-built aircraft and developing your Phase 1 test-flight program is critical. Join EAA Flight Advisor & CFI Ted Sanders as he discusses the test-flying program he conducted in his Van's RV-8.

If you wish to receive WINGS credit for attending this seminar please register for this seminar at this site. When you register for the seminar, you insure that credit is correctly applied to you.

When you attend the program, an attendance sheet will be circulated. Make sure you initial it next to your name. You may also obtain credit by adding your name and email address to the attendance sheet at the seminar, but if you do this, please make sure that the email address you use is registered on <http://www.faasafety.gov/> You must have an email address to receive credit.

For more information on the new WINGS program, click on WINGS Pilot Proficiency Program on the <http://www.faasafety.gov/> site, or ask a FAASafety Team Representative for assistance at the program.

**Directions:** From the main gate, go East (right) on James C. Ray Dr. then turn North (left) on Sun 'n Fun Dr to EAA exhibit tent (corner of Sun 'n Fun Dr. and Laird Dr.).
