

FAASTeam presents:

How Long Has It Been

The weather is perfect, the aircraft is ready, what about you, are you ready?

We will discuss how and why all of us need to step back and assess our level of proficiency or lack of before we make the decision to jump in that aircraft and go.

We will show you the Wisconsin accident, incident statistics that show why it is so important to stay proficient.

We will discuss some of the programs available to help in keeping you on top of your game.

This open discussion will be led by Jurg Grossenbacher, FAA Safety Program Manager from the Milwaukee FSDO and John Puttre, President of EAA Chapter 320.

If you wish to receive WINGS credit for attending this seminar please register for this seminar at this site. When you register for the seminar, you insure that credit is correctly applied to you.

When you attend the program, an attendance sheet will be circulated. Make sure you initial it next to your name. You may also obtain credit by adding your name and email address to the attendance sheet at the seminar, but if you do this, please make sure that the email address you use is registered on <http://www.faasafety.gov>. You must have an email address to receive credit.
