

Wisconsin FAASTeam presents:

CFI Pre-AirVenture Pilot Proficiency Onsite Training Day

Active flight instructors are invited to participate in an exclusive CFI training program at EAA's Pilot Proficiency Center (PPC) on the EAA AirVenture grounds on Sunday July 22 from 9:00 AM to 5:00 PM, the day before AirVenture opening day. This event on the AirVenture grounds will provide CFI training on flying and utilizing Redbird LDs for scenario-based instruction, as well as an opportunity for personal G1000 introductory training. Participants will receive AirVenture admission for Sunday, the day of training, which is good for admission on AirVenture opening day, Monday July 23.

Registration closes June 25. Read through the seminar detail for additional information regarding the TWO STEP REGISTRATION PROCESS.

Directions: EAA AirVenture Pilot Proficiency Center is located on the EAA Air Venture Grounds specifically, on the corner of Knapp Street and EAA Four Corners.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
