

Proficiency and using the new ACS

During this one hour seminar we will be discussing tips, techniques and best practices to become and stay proficient. A large part of this conversation involves learning what is new in aviation to include ADS-B and electronic flight bag limitations and the Airmen Certification Standards among other topics.

Directions: EAA Chapter 431- Hangar is located on the Brodhead Airport, located at N2439 Airport Road, Brodhead, Wisconsin.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
