

FAASTeam presents:

WINGS The General Aviation Training Program

Speakers;

Karen Kalishek, FAA WINGSPRO, FAA Lead Safety Representative
Jurg Grossenbacher, FAAST Program Manager from the Milwaukee FSDO.

Topic:

What is WINGS? Why is it important for you to have a customized training program? Why would you want to consider the FAA's WINGS program? We will discuss the importance of WINGS and the weight that it carries in general aviation safety.

Karen Kalishek will introduce the WINGS program and walk you through the application process including the pilot profile and explain to you the seminar and flight credit of WINGS. Jurg Grossenbacher will discuss why you need to attend the safety seminars and maintain flight proficiency. We will discuss several accidents that occurred in Wisconsin that show the importance of a thorough training program. This seminar will address everyone regardless of the certificate or experience, so please, take some time out of your busy life and join us!

If you wish to receive WINGS credit for attending this seminar please register for this seminar at
