

Drone Seminar - Drones and You

Craig Czerwinski, CFI, FAA Safety Team Member and leader of Gateway Technical College's sUAS Program will discuss drone safety tips and the options for flying your drone safely and legally as a hobbyist under the Special Rules for Model Aircraft (Section 336) as well as commercially as a remote pilot under the FAA's Small Unmanned Aircraft Rule (Part 107). He will also discuss sUAS registration requirements, the B4UFLY app, and answer your questions. There will also be a display of several sUAS/Drones for the attendees to look at.

Directions: EAA Chapter 431 clubhouse

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
