

## ATW LRSAT Local Runway Safety Action Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at ATW involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year.

Please contact Todd Stalnaker, Tower Manager at 920-739-5982 if you plan to attend this meeting since space is limited.

**Directions:** Please follow signs to the Appleton International Airport. Meeting will be held in the Airport Public Safety conference room in the Terminal Building.
