

EAU LRSAT Local Runway Safety Action Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at EAU involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year.

Please contact Derek Smith EAU Tower Manager at 715-855-5104 if you plan to attend this meeting since space is limited.

Directions: Please follow signs to the Chippewa Valley Regional Airport. Meeting will be held in the main conference room in the Terminal Building.
