

OSH LRSAT Local Runway Safety Action Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at OSH involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year.

Please contact Mark Dyni, Tower Manager at 920-424-8002 if you plan to attend this meeting since space is limited.

Directions: Please follow signs to the Wittman Regional Airport, Oshkosh, WI. Meeting will be held in the main conference room in the Terminal Building.
