

Accidents - What Can We Learn From Them?

If you fly aircraft, then this is a must for everyone. Hear from FAASTeam Program Manager Jurg Grossenbacher about recent accidents and incidents. We have experienced eleven accidents in a fourteen week period due to pilot lack of proficiency and we are desperately trying to raise awareness on the importance of training.

Directions: Please meet at us at the Brunner Building also known as (Waupaca Maintenance Hangar) on 2601 Runway Dr., Waupaca Airport, Waupaca, WI.
"Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines."
