

Milwaukee FSDO presents:

Accidents Incidents and Pilot Proficiency

We will discuss the accidents and Incidents that occurred in Wisconsin during the past year. The objective of this seminar is not to put blame on the pilots that were involved but rather to learn what you can do to prevent them. We will talk about what could have been done to prevent these and open the discussion to the group. This seminar is open to the customers of Wausau Flying Service and The Model Aircraft Club of Wausau only. Local pilots only no Fly-Ins and Pre-registration required.

“Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.”

Earn your WINGS credit by attending this interactive seminar

Directions: Please meet at Main Hangar located next to Terminal Building at 725 Woods Place, Wausau, WI.

A message from the National FAASafety Team Manager
