

FAASTeam presents:

Wisconsin Hamburger Social and Aircraft Accident Statistics

If you want to know what is going on in Wisconsin this seminar is for you!

The Wisconsin Hamburger Social Group invites area pilots to a hamburger night followed by guest speaker Jurg Grossenbacher from the Milwaukee FSDO to speak on Wisconsin Accident Statistics. Due to the Pandemic many of our pilots were unable to stay current let alone proficient over the past year. We are paying that price now with a huge increase in accidents, incidents and pilot deviations.

We will discuss:

1. Accidents
2. Incidents
3. Pilot Deviations

We will give you insights on what you can do to stay safe and enjoy flying.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Please follow signs to Marshfield Municipal Airport, Marshfield, WI.
