

FAASTeam presents:

Are You Sure that You are up to Speed

Jurg Grossenbacher, FAAST Program Manager from the Milwaukee FSDO will brief the pilots on the recent spike in accidents, incidents and pilot deviations due to the Pandemic. We will talk about the causal factors:

1. Lack of Proficiency
2. Standard Operating Procedures

We will discuss how you can stay safe this year and still enjoy flying to the fullest.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Please follow signs to Waukesha County Airport, located in Main Terminal Building on 2525 Aviation Drive, Waukesha, WI

Due to COVID-19 restrictions in Milwaukee County we changed the venue to Waukesha county to hold the EAA Chapter meeting.

A message from the National FAASTeam Manager
