

FAASTeam presents:

Proficiency what does it really mean

Jurg Grossenbacher, FAAST Program Manager from the Milwaukee FSDO will brief the pilots on the recent spike in accidents, incidents and pilot deviations due to the Pandemic. We will talk about the causal factors:

1. Lack of Proficiency
2. Standard Operating Procedures

We will discuss how you can stay safe this year and still enjoy flying to the fullest.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Please follow signs to the Lakeland Airport (ARV). Seminar will be held in lobby of the Lakeland FBO

Please note we will start the seminar at 6:00PM due to speaker having to travel back to Milwaukee

A message from the National FAASTeam Manager
