

FAASTeam presents:

CFIT and Check Rides

Jurg Grossenbacher, FAAST Program Manager from the Milwaukee FSDO will brief the pilots on a Controlled Flight into Terrain Accident that occurred in Ephraim, WI. We will discuss why bad things happen to good pilots and what you can do to stay safe. We will talk about the causal factors:

1. Lack of Proficiency
2. Standard Operating Procedures

We will discuss how you can stay safe this year and still enjoy flying to the fullest.

If you are a CFI or are ready to upgrade your Certificate or get a new Rating then this seminar is for you! Chris Anderson, DPE will speak on 2021 check ride issues that plagued our pilots. Mr. Anderson will answer your questions concerning Practical Tests.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Follow signs to Main Terminal Building located at 4004 S. Oakville Avenue, Janesville, WI.
