

FAASTeam presents:

Unfortunate Accident Controlled Flight Into Terrain

If you fly at night then this seminar is for you! Jurg Grossenbacher, FFAST Program Manager from the Milwaukee FSDO will brief the pilots on a Controlled Flight into Terrain Accident that happened in Ephraim, Wisconsin on a summer night. We will discuss why bad things happen to good pilots and what you can do to stay safe. We will talk about the causal factors:

1. Lack of Proficiency
2. Standard Operating Procedures
3. Best Practices

We will discuss how you can stay safe this year and still enjoy flying to the fullest.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Follow signs to Appleton International Airport. Pilot Smith hangar is located at North 529 Ares Drive, Appleton, Wisconsin.
