

FAASTeam presents:

Marshfield Hamburger Social Unstabilized Approaches

If you are flying to Air Venture 2022 then this short seminar is for you!

Jurg Grossenbacher, Milwaukee FAASafety Team Program Manager will brief you on some of the issues plaguing pilots flying into Oshkosh every year. We will discuss what an Unstabilized Approach is and what you should do when you recognize it in order to keep you and your passengers safe.

Discussion points:

- Failure to assess required landing distance
- Un-stabilized Approach
- Excess Airspeed
- Excess Threshold Crossing Height
- Landing Long

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Follow signs to Marshfield Municipal Airport, Marshfield, WI.
