

FAASTeam presents:

Appleton Complacency the New Killer

If you fly then this seminar is for YOU! Complacency the new Killer seminar series shows how complacency has slowly crept into the Wisconsin General Aviation Pilot Population. Are you possibly one of these pilots? By attending this seminar you will certainly know if you and your passengers are at risk. We will show you through several incidents, accidents and pilot deviations that occurred in FY 2022 in Wisconsin that this is fact not fiction. We will discuss how FAA WINGS can keep you proficient throughout your the year and substitute the flight review.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: Please follow signs to Pilotsmith Flight School located at the Platinum Flight Center at 529 Ares Drive, Appleton International airport, Appleton, WI. We will hold the seminar upstairs in the Main Conference room.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a cash prize. Go to www.mywingsinitiative.org for more info.
