

## Meet Your Air Traffic Controller

### If you fly into tower controlled airports this workshop is a must!

You will meet the Air Traffic Controllers that work at the Appleton Airport. Our guest speaker **Francis Loftus**, ATW Air Traffic Manager, will talk about local issues and answer any questions that you might have for him regarding operations at the airport.

**Jurg Grossenbacher**, FAASTeam Program Manager, from the Milwaukee FSDO, will address the pilot deviations that occurred in Wisconsin during the last 12 months. He will discuss procedures and strategies that you can use to stay safe and compliant. We will also introduce the new helpful tools available on faa.gov called "From the Flight Deck."

**Before attending any seminar please review and abide by current CDC, State and Local health guidelines.**
