

Pro Tips for UAS - Understanding Local Laws and Remote ID Update

There are a number of unique rules, regulations and procedures pertaining to flying drones other than the FAA rules. Join us to learn where to find some of them and how to avoid breaking local, state and uncommon federal drone laws. We will also provide an update on the Remote ID "exception" and give tips to avoid being scammed and help make sure your drone is in compliance every time you fly.

Please register for this webinar at the link below and share with friends or family that might also be interested in attending.
