

JVL Air Traffic Control

If you fly into Towered Airports then this seminar is for You.

You will meet the Air Traffic Controllers that work at the Southern Wisconsin Airport. Our guest speaker **Lance Denham**, JVL Air Traffic Manager, will talk about local issues and answer any questions that you might have for him regarding operations at the airport.

Jurg Grossenbacher, FAASTeam Program Manager, from the Milwaukee FSDO, will address the pilot deviations that occurred in Wisconsin during the last 12 months. He will discuss procedures and strategies that you can use to stay safe and compliant. We will also introduce the new helpful tools available on faa.gov called "From the Flight Deck."

Please follow signs to Southern Wisconsin Regional Airport. The Main Terminal is located at 1716 West Airport Road, Janesville.

A message from the National FAASTeam Manager
