

Every Accident tells a story

If you fly airplanes then you need to know how easily a flight display discrepancy can lead to aircraft accident.

Jurg Grossenbacher from the Milwaukee FSDO will take you a quick Wisconsin accident review however, the main topic that we will cover is an accident that occurred at night in Instrument flight conditions. We will discuss:

- Pre-flight still matters
- Checklists still matter
- Final check while on runway (Heading on DG vs Runway Heading)
- Aeronautical Decision Making
- Confess to ATC use CRM
