

Cross Country Flying Tips for the General Aviation Pilot

If you fly airplanes on cross country flights or plan to do so then this seminar is for you! Fair weather Pilot. Are you one of them? If you are worried about taking an airplane to go past the airport boundaries or you do not fly to hamburger socials, to visit friends across state lines then this seminar will get you started.

We will discuss the following:

- 1. Human Factors
- 2. Cross Country Planning
- 3. Weather
- 3. Airspace-use of ATC
- 4. IFR to VFR or visa versa
- 5. Descent planning, proper traffic pattern entry, stabilized approach
