

## Setting up your Foundation as a Student Pilot

This is the first of Take Flight Aviation's series of 13 spring workshops designed to support a solid foundation as a student obtaining their Private Pilot Certificate. Courses are open to any student pilot obtaining lessons anywhere. Session 1 of 13 will include information about a TSA Endorsement, Student Pilot Certificate, Rental Insurance, obtaining a Medical certificate. An overview of obtaining your Private Pilot Certificate requirements and a Road Map to your success will be laid out for you. The importance of being prepared for lessons starts at home. You will leave prepared to begin your Private Pilot training! You can attend two individual sessions of this 13 series at no cost there is a small cost for the subsequent sessions. For additional detail please contact Vonda Benson at [www.vondabenson@icloud.com](mailto:vondabenson@icloud.com).

The Pilot's Lounge is the first building you come to.
