

Get Ready for Take Off for your Private Pilot training!

Take Flight Aviation is offering the 2nd of a series of 13 spring workshops designed to support a solid foundation as a student obtaining their Private Pilot Certificate. Courses are open to any student pilot obtaining lessons anywhere. In Session 2 of 13 you will learn to thoroughly pre-flight an airplane, checklists, taxiing the aircraft, how to perform a before takeoff check. We will discover the instrumentation in our PA-28-140 and PA-28-151 and the required documents and inspections for the aircraft. We will discuss the phonetic alphabet and basic radio calls. You will leave 'Ready for Takeoff' to begin the flight portion of Private Pilot training!

You can attend two individual sessions of this 13 series at no cost there is a small cost for the subsequent sessions. For additional detail please contact Vonda Benson at [www.vondabenson@icloud.com](mailto:vondabenson@icloud.com)

The Pilot's Lounge is the first building you come to at the airport.
