

Learn about the basics of Foreflight - 1 of 2 sessions

*Foreflight subscription, iPhone or iPad required for this session. Take Flight Aviation is offering the 4th of a series of 13 spring workshops designed to support a solid foundation as a student obtaining their Private Pilot Certificate.

Courses are open to any student pilot obtaining lessons anywhere. Let's learn how to utilize Foreflight - Session 1 or 2! In this session you will learn an overview of Foreflight, set up our settings, our aircraft performance and weight and balance information. We will practice exploring the basics. You will leave 'Ready for Exploring Foreflight' as part of your flight portion of Private Pilot training! You can attend two individual sessions of this 13 series at no cost. You can attend two individual sessions of this 13 series at no cost there is a small cost for the subsequent sessions. For additional detail please contact Vonda Benson at www.vondabenson@icloud.com.

The Pilot's Lounge is the first building you come to at the airport.
