*Fore-flight subscription, iPhone or iPad required for this session. Take Flight Aviation is offering the 6th of a series of 13 spring workshops designed to support a solid foundation as a student obtaining their Private Pilot Certificate. Courses are open to any student pilot obtaining lessons anywhere. This session is great for anyone wanting to know more about Fore-flight and Rusty Pilots. In this session we will learn basics of weather, obtaining a weather brief in Fore-flight, basic navigation, navigating with extended centerlines using Fore-flight.

We will learn to create checklists in Fore-flight.

You will leave 'Ready for Navigating Fore-flight' as part of your flight portion of Private Pilot trainng.You can attend two individual sessions of this 13 series at no cost there is a small cost for the subsequent sessions. For additional detail please contact Vonda Benson at **www.vondabenson@icloud.com.**

The Pilot's Lounge is the first building you come to at the airport.
