

Jumpers Away! Seeing and Avoiding Skydivers

Skydivers may not be ADS-B equipped, but they share the same airspace as we pilots do. In order to see and avoid those who don't mind jumping out of a perfectly sound airplane, we need to know how, where, and when skydivers operate. This FAA Safety Team WINGS award webinar will help you to anticipate their actions, altitudes, and location when you hear the magic words "Jumpers Away!" on the common traffic advisory frequency.
