

Pro Tips for UAS-Airspace Requirements LAANC and B4UFLy

Join us for a refresher on the different classes of Airspace. We will share tricks to identify airspace, and the rules to legally fly drones in the National Airspace System (NAS). Additionally, we will walk through how to obtain an authorization to fly in airspace where it is required, and show some of the updates to the FAA's free B4UFLy app.

Please register for this webinar at the link below and share with friends or family that might also be interested in attending.
