

Making Friends with a Sukhoi

Wes Liu, IAC chief judge, shares his journey transitioning from a Pitts S-2A biplane to a Sukhoi Su-26 monoplane with a radial engine. From first flight in this new-to-him airplane through flying aerobatics, Wes shares some tips and lessons learned during this transition process. In March 2022, Wes found himself standing next to the Su-26, 800 nautical miles from home, organizing his thoughts to plan for a first flight in the airplane. Tune in and learn all about his process to safely transition into this new aerobatic airplane.
