

## Volk Field IFR-VFR Seminars

Don't miss this rare opportunity to land at an active Air Force Base! Please join us for safety presentations.

Jurg Grossenbacher, Milwaukee FAA will speak on the Approach and Landing criteria that is causing so many accidents that could be avoided through proper training. We will go into stabilized Approach criteria.

Joey Riciotti from the National Weather Service will tell us about the weather hazards as we enter our winter flying seasons. Join us as we are informed of some of the how's, what's, where's and why's of these weather phenomena!

Scott Cabot will speak on the topic of National Airspace and the more complex airspace that you encounter such as Military Operation areas, Firing Ranges and Restricted airspace as well as Temporary Flight Restrictions.
