

## All about Spins

Certified Flight Instructor and DPE, Catherine Cavagnaro, discusses all about spins. Catherine will explain the aerodynamics of how airplanes spin including analysis of spin entry, development, and exit technique. Catherine owns and flies both a Cessna 152 Aerobat and an aerobatic Beechcraft E33C Bonanza; and she provides flight instruction at Ace Aerobatic School in Sewanee, Tennessee. Join the webinar to gain a better understanding of spins to make you a safer pilot.
