

Pro Tips for UAS-Drone Pilots- Flying Above the Stigma

Due to recent events such as Deviations and Accidents it's more important than ever for UAS pilots to do the right thing. There are a number of unique rules, regulations and procedures pertaining to flying drones in addition to the FAA rules. Join us to learn where to find some of them and how to avoid breaking local, state and uncommon federal drone laws. We also will help you be prepared to fly, interact with and teach others, safely.

We will discuss:

1. Regulations
2. Your Rights
3. Your Responsibilities

We encourage that you type in your questions throughout the webinar and we will try to answer them.
