

Meet Your Air Traffic Controller

Why do pilots get in trouble with Air Traffic Control? Your local Air Traffic Control Manager Brian Daly and Jurg Grossenbacher from the FAA will help you avoid these issues and answer your questions to include:

- Complex Environment
- Distractions
- Humans make mistakes
- Lack of Preparation
- Lack of Training/ Proficiency
- Lack of Standard Operating Procedures

We will discuss local as well as National issues that are plaguing pilots and airport users. This

seminar is meant as more of a discussion than a lecture.
