

Preparation Equals Survival

We experienced 44 Aircraft Accidents in Wisconsin last year, nationwide three aircraft accidents occur each day and they do not ALL happen at the airport. Are you prepared for a night in the wreckage? We will discuss several accidents that illustrate some catastrophic events where preparation meant survival or worse. Jurg Grossenbacher, Milwaukee FAA will answer many of these questions such as:

- Where am I?
- Does someone know I went down?
- Where is my cell phone?
- Where are my glasses?
- I wish I had a compass.
- It sure is dark, cold.....and wet.
