

Ask A Designated Pilot Examiner Panel

Your Designated Pilot Examiner will lead this discussion:

Whether you have a Practical Check Ride looming or your student does, bring your questions and tap into their experience! What are the most recent safety concerns and common mistakes that applicants make? What are some things that they would like to see more of and don't? Local Designated Pilot Examiners will be on hand to give an invaluable perspective on trends that they observe affecting the safety of flight.

Discussion begins at 6pm, doors open at 5:30pm
